Introduction:

I have over 13 years experience in designing, directing and managing motion, editing and video projects within the marketing, social content, events, out-of-home, broadcast and corporate space. I have worked with clients such as Odeon, Conde Nast, Coca-Cola, HSBC, Unilever and Sky, where I have produced visually rich and relevant content with a thorough knowledge of the Adobe Suite, Cinema 4D, Figma and associated plugins and tools.

I am resourceful, friendly, passionate and dedicated to designing and delivering great work. I can be booked for short and long-term projects, quick turnaround work and anything in-between.
